

OSGOOD ROAD CLOSURE AND NIGHT CONSTRUCTION NOTICE

Fremont Grade Separation Project

April 2008

Temporary Road Closure on Osgood Road Beginning May 7, 2008

As part of the Grade Separation Project, Osgood Road between Washington Boulevard and the United Rentals store (approximately 1,000 feet south of Washington Boulevard), will be closed intermittently from Wednesday, May 7, 2008 through Thursday, May 15, 2008, pending the schedule below. This temporary closure is necessary to allow the contractor to erect temporary supports (falsework) over the roadway for construction of the bridge at Washington Boulevard.

ROAD CLOSURE TIMES

Osgood Road will be closed:

- Overnight from 9:00 p.m. until 5:00 a.m. on Wednesday, May 7 through Friday, May 9 and Monday, May 12 through Thursday, May 15
- All day Saturday, May 10 and Sunday, May 11 until 5:00 a.m. on Monday, May 12

Osgood Road will reopen to traffic on Thursday, May 15 by 5:00 a.m.

To the extent possible, the contractor will attempt to keep the weekend work to daytime hours from 7:00 a.m. to 5:00 p.m. The schedule is pending weather or other unforeseen circumstances. Any schedule updates will be posted on changeable message signs in the construction area and on the project Web site at www.fremontgradesep.com.

WHAT CAN I EXPECT DURING THIS WORK?

During nighttime construction work, residents can expect some noise from construction equipment and truck back-up beepers. The contractor will reduce noise to the extent possible, but some noise is unavoidable. We apologize for any inconvenience and will attempt to complete the work as quickly and efficiently as possible to minimize disruptions to residents.

HOW WILL THE CLOSURE AFFECT TRAFFIC?

Motorists traveling to or from Osgood Road in the closure area will be detoured onto Fremont Boulevard and Auto Mall Parkway for travel to and from the Washington Boulevard area. Detour signs will be in place to direct traffic through the area (see detour map on reverse). When the Osgood Road detour is in place, motorists will not be able to travel between Osgood Road and Washington Boulevard/Driscoll Road. Motorists will be able to turn between Driscoll Road and Washington Boulevard. Through-traffic on Washington Boulevard will remain open at all times.
